Mallorcan house located on the pedestrian street in the town center of Puerto Andratx. The house has many possibilities of use. For years the restaurant was on the ground floor of the house. for this reason, to be inhabited it needs a reform. At the moment the house is distributed: on the ground floor there are 3 rooms, 2 bathrooms, a spacious patio and access to the terrace. In the upper part of the house there are another 3 rooms with a bathroom. The Mallorcan-style house has high ceilings with exposed beams, high windows, a typical patio and a spacious terrace. A few meters from the restaurant and yacht club area of ??Puerto de Andratx.
